1. The use of cookies

www.maan-specialproducts.com uses cookies. A cookie is a small, simple file that is sent with pages from this website and/or Flash applications and stored by your browser on the hard drive of your computer, mobile phone, smartwatch or tablet. The information in the file will be sent back to our servers the next time you visit the site.

The use of cookies is very important for the proper functioning of our website, but cookies that do not have an immediately visible effect are also very important. Thanks to the (anonymous) input of visitors, we can improve the use of the website and make it more user-friendly.

2. Consent to the use of cookies

When it comes to accessing personal data linked to a cookie, we ask you to send us a copy of the cookie in question, which you can find in your browser settings.

5. Blocking and deleting cookies

You can also indicate that certain cookies may not be saved. For this option, refer to the help function of your browser. Deleting the cookies in your browser may have consequences for the pleasant use of this website.

Some tracking cookies are placed by third parties who display advertisements on our and other websites. You can delete these cookies centrally at www.youronlinechoices.eu.

Please be aware that if you do not want cookies, we can no longer guarantee that our website will function properly. It is possible that some functions of the site are lost or that you can no longer even visit the website at all. In addition, refusing cookies does not mean that you will no longer see any advertisements at all. The advertisements will simply no longer be customised to your interests and may therefore be repeated more often.

The adjustment of your settings depends on the browser you use. If necessary, consult the help function of your browser, or click on one of the icons below to be taken to the manual for your browser.
